

## ERRATA SHEET

**PhD Thesis:** *Parameter-Efficient Convolutional Neural Networks for Computer Vision Applications*

**Author:** Ali Hassan

**Defence Date:** 27 February 2026

**Mid-Sweden University, Sweden:** Doctoral Studies in Computer Engineering

Doctoral Thesis No. 439, ISBN 978-91-90017-38-8, ISSN 1652-893X

**Tampere University, Finland:** Doctoral Programme in Plenoptic Imaging

ISBN 978-952-03-4323-1 (Trepo)

---

### 1. Back of Title Page

Updated location information for the public defense:

Original text: "27 February 2026 i L111"

Corrected text: "27 February 2026 i M108"

---

### 2. Page xiii – List of Papers

Updated publication information:

- **Paper II:** Added DOI number and updated page numbers. The "Accepted" status text was removed, as follows:
  - Ali Hassan, Tingting Zhang, Karen Egiazarian, Mårten Sjöström, "EPINET-Lite: Rethinking Mixed Convolutions for Efficient Light Field Disparity Estimation Network", *IEEE 27th International Workshop on Multimedia Signal Processing*, 21-23 September 2025, Beijing, China, pp. 120-125, doi: 10.1109/MMSP64401.2025.11324204 (2025)
- **Paper III:** Added volume number and issue number, and updated page numbers and year, as follows:
  - Ali Hassan, Mårten Sjöström, Tingting Zhang, Karen Egiazarian, "REDARTS: Regressive Differentiable Neural Architecture Search for Exploring Optimal Light Field Disparity Estimation Network", *IEEE Transactions on Emerging Topics in Computational Intelligence*, vol. 10, no. 1, pp. 531-542, doi: 10.1109/TETCI.2025.3592281 (2026)

---

### 3. Page 8 – Section 1.6 Contributions

In the last paragraph of the Section 1.6 Contributions (Page 8), "Paper III" should read "Paper IV".

Original text: "For Paper III"

Corrected text: "For Paper IV"

---
